When the drain pump fails it can cause water to leak from the pump or it can cause the water not to drain out of the washing machine. If you need to order one of the drain pump kits, you can click one of the links in the the above chart, or one of the links below.

Samsung Drain Pump Relocation Kit - PartsDr.com

Okay, now you'll need to match up your head unit wiring with the wiring required by your converter. Your converter should come with wiring instructions so you will just need to match up the wires and splice them with the scotch blocks, use the pliers to press the metal splice bar so you can be sure of a good connection.

Adding RCAs to a Standard Car Head Unit: 6 Steps (with
